

2020 22nd Annual St. Margaret Mary School Spartan Sprint for Education Update

September 11, 2020

Dear St. Margaret Mary School community,

Thank you for your support of the 22nd Annual School Spartan Sprint for Education, which took place virtually on Friday April 17, 2020. We are pleased to share that we raised over \$10,000!

Your generosity surpassed what we thought possible, given the circumstances around the end of our 2019-20 school year. The response truly demonstrates our ability to be Spartan Strong.

These generous donations made it possible for us to purchase a new two-way radio system for teachers and staff. The new radios will enable effective communications during the school day around our campus and in case of emergency.

We originally asked for support for a Positive Behavior Intervention System and science lab equipment as well, but the need to help purchase new Surface tablets became a much larger priority due to COVID-19.

We sent personalized emails to each school family with a list of donors who supported the 2020 Spartan Sprint, and appreciate your help thanking them for their generosity. If you did not receive your list, please contact spartansprint@stmmparish.org to request one.

As always, we appreciate your time and support of St. Margaret Mary School.

Sincerely,
Mrs. Gina Crawford & Mrs. Katherine Frey
Spartan Sprint Committee
