

## St. Margaret Mary School CSW 2021 Winter Family Walk & Scavenger Hunt

**For our Catholic Schools Week 2021 family activity, we encourage you to take a walk outside this weekend**

You can take a walk in your neighborhood or in a local park, like the Harrisburg Greenbelt or Wildwood Park. There are many health benefits to walking outside, even in the winter!

Use the attached scavenger hunt to find things and learn more about nature on your walk using four of your senses – sound, sight, smell and touch. Older students can help younger family members or students complete their scavenger hunt.
