

March 1, 2018

Dear Parents and Students:

I wanted to reach out to you to let you know that after a great deal of prayer, I have decided to move from the role of principal back to the role of classroom teacher. This will be my last year as that principal of St. Margaret Mary School. Over the past two years I have felt drawn back to the classroom. I have also become very interested in STEM education and have decided to go back to school to take some classes to become certified in STEM education. Taking these classes would not be possible while still in an administrative role.

Even though I have plenty of seniority here at STMMS, I would never use that seniority to take the place of any of our wonderful teachers so I could move back into the classroom here at STMMS. I have faith that God will place me where I need to be whether that is in a classroom at STMMS or another Catholic school in the Diocese.

I have loved every day of my vocation as your principal. You all will have a very special place in my heart and I will cherish all the wonderful memories that I have.

God bless,

Mrs. Jean Fennessy
