

June 8, 2018

Dear Parents & Students:

I want to thank you for all your support during my time as principal. Thank you also for your good wishes and gifts as I make the transition back to the classroom. I have loved every minute of being principal, and I am proud of the work that I have done in that capacity. I look forward to continuing to see this school grow and improve with Mrs. Pronio at the helm. I am blessed to be able to come back in the fall and fulfill my goal of getting back into the classroom as working to become certified in STEM.

I wish you all a happy and healthy summer.

God bless,

Mrs. Fennessy
