

Dear Sixth, Seventh & Eighth Grade Parents & Students,

In the interest of providing the opportunity for your children to complete service for others and the need of parents with younger children for babysitters, it was suggested by the faculty that we compile a list of potential babysitters.

If your child is interested in babysitting, please complete the lower portion of this letter and return it to the school office. We will compile a list that we can distribute to school families via the school office upon request.

Students will have the opportunity to earn service hours or spending money. Parents will have access to responsible sitters.

God bless,

Jean Fennessy
Principal

I would like my child to be included in the STMMS Babysitter Guide.
