

ST. MARGARET MARY SPARTANS

2018-2019 CHEERLEADING SEASON

We are very excited to begin a new year of cheerleading at St. Margaret Mary School. This season will be our 10th season with this cheerleading program. Registration is open to girls that are currently in grades 5-8. Any girls in grades 5-8 are welcome to join the team. We cheer the home games for both the boys' and the girls' basketball teams. We cheer the JV, Varsity, and Intermediate levels. I will decide how to split the cheerleading levels once I know how many girls will be cheering with us this season. If we have a bigger group of girls we will have a JV squad with the 5th and 6th grade girls and a Varsity squad with the 7th and 8th grade girls. If our numbers are smaller, we will have a combined JV/Varsity squad. They will cheer all games together if we have a combined squad.

Cheerleading practice will begin soon. At this time I do not know when our practice will be, it depends on time and space availability. We normally have practice once a week. There may be practices added occasionally at different times if needed, those would be announced via email. In the past we had some issues with practice and game attendance. While I do understand that there are times that cheerleading practice will conflict with other activities, I do ask that the girls make an effort to be at practice as much as possible. Other school activities allow students with multiple activities at the same time to split the time between the practices. I do ask that the cheerleaders split the time if there is another school practice rather than missing the whole cheer practice. We have a lot of material to learn during our practices and we only have practice once a week. I do ask that if any cheerleader is going to be absent from practice or a game that you notify me via email or text.

Cheerleading news is always communicated via email. I post practice and game times on a group email. I usually update that email about once a week during the season. Please watch for emails for cheerleading information.

The coaching staff includes myself and former St. Margaret Mary cheerleaders Kyla Sullivan and Kara Sullivan. Kyla is a cheerleader at Bishop McDevitt and Kara is a member of the colorguard team at Bishop McDevitt. They both have a lot of exciting ideas for this season. We also get the advantage of learning some of the Bishop McDevitt material that the girls will know if they plan to cheer at Bishop McDevitt some day. We are also very excited to welcome some new helpers this year. Amanda Barns, Gina Crawford, Ann Foley, and former St. Margaret Mary cheerleader Stella Gownley will be joining our coaching staff this year. We thank all of them for volunteering their time.

Please return the attached registration form and conduct agreement form by Friday, September 28th. We are looking forward to another exciting season of Spartan Cheerleading!

Go Spartans!
