Dear Parents & Students,

On behalf of the Father Helwig and our faculty and staff, I would like to thank you very much for the great year that we had. The students did some amazing things this year, and they all grew so much in so many positive ways.

We hope that you have a happy and healthy summer and get to spend a lot of quality family time together. It is always so nice to have a more relaxed schedule over the summer months.

Students, remember that you can participate in my Summer Reading Challenge. All the details are posted on e-envelope. Just log the hours that you read over the summer, and don't forget to log the reading that you do for your summer packer. That counts, too! By logging your minutes and bringing your log sheet in the first week of school, you will be entered into a drawing for some nice prizes at the beginning of the year.

Parents, we have posted our summer hours on e-envelope. In the past we have closed the school office during the month of July, but this year we are only going to close for the first 2 weeks of July. We have reduced office hours in June and the last 2 weeks of July, but call anytime if you have a question. If we are not in the office, we will be sure to get back to you in a timely manner.

God bless,

Mrs. Jean Fennessy
