

Heart Screening Clinic

Dear Parents:

Please consider registering your children for the upcoming **FREE** Heart Screening Clinic to be held on Saturday, March 18, 2017, at East Pennsboro Elementary School; 840 Panther Parkway; Enola, PA. The screening is sponsored by The Peyton Walker Foundation and is for all central Pennsylvania teenagers 12-19 years of age. Staff from the PinnacleHealth CardioVascular Institute will perform the screenings.

Considering that: 1) every 3 days a student athlete dies from Sudden Cardiac Arrest (SCA); 2) SCA is the #1 killer of student athletes, and 3) 1 out of every 100 students screened is found to have a previously undetected heart condition, we thought it important to provide you with this valuable, lifesaving information.

Thank you for helping us to save lives!

With heartfelt appreciation,

Linda Schneider
Foundation Coordinator

The Peyton Walker Foundation
