

ICIN' OUT CHILDHOOD CANCER

CJ Ford is a beloved former student of St. Margaret Mary School and McDevitt High School. On August 7, 2018, he was diagnosed with Acute Lymphoblastic Leukemia (ALL). As a 21 year old, he is a loving son, brother, friend and family member who has been going through intensive chemotherapy since.

Come out and support the Icin' Out Childhood Cancer for CJ to raise money for Penn State Thon for Cancer Research!
Let's help our children ice cancer out!
