

Important Information for Central Dauphin Parents

We received word from Melissa Fry, Central Dauphin School District Transportation Routing Specialist, that **if you would like to schedule transportation to or from a child care provider, you must complete the attached “Request for Child Care Provider Form”. This is a form that needs to be completed each year.**

The child care provider must be within your school’s attendance area.

If you complete this form and return it to the school office by June 29, we will send the form to CD for you. You may also call the school with the information and we can complete the form for you. **If your form is not turned into the STMMS office by close of business on June 29, then you will have to mail the form directly to Central Dauphin.** The correct address is provided at the bottom. Please be sure to make a copy for your records and record the date which it was mailed to the school. This form must be received by the CD Transportation Department no later than July 15.

Thanks,
