

BABY BOTTLE BLESSING TO BENEFIT MORNING STAR PREGNANCY SERVICES....

Dear Parents and Guardians:

Our students will be spreading God's love and reaching out to mothers in need by participating in a Baby Bottle Blessing project during the next couple weeks. A baby bottle will be sent home with each student by **Friday, April 30th**. We ask that you place the bottle on your kitchen counter and begin filling it with coins and bills and perhaps also a note or a promise of prayer. Take this opportunity to speak to your children about the importance of giving and perhaps take the money that the family would normally spend on candy, etc. and place it in the bottle. This is a great time to speak to your child about the value of human life and let them know how special they are. (Psalm 139).

Morning Star Pregnancy Services is committed to providing women positive life-affirming alternatives to abortion. Because of the generosity of the Christian community, they were able to minister God's love to thousands of clients in the last year including over 600 ultrasounds for women considering abortion.

In addition, thousands of clients received diapers, baby food, baby clothing, baby furnishings and maternity clothing. All students should return their bottle to their teacher **by Friday, May 14th**, the Friday after Mother's Day! If you wish to write out a check – please make it payable to Morning Star. Please return **ALL** bottles.

Thank you for your support of the unborn.

Sharing God's Love,

Mrs. Pronic Principal
