

Santa's Sleigh Coming Soon!!!

I'm sure you have a lot of questions...

What is Santa's Sleigh? This year, the STMMS PTO is providing our students with the school's annual Santa Shop in a Covid-friendly way.

When will it be held? It will be held from **December 7-8, 2020**.

Will Santa Shop be different this year? I'm glad you asked! Santa Shop WILL be a little different this year. Instead of students coming to the cafeteria to shop, the Santa's Sleigh will be visiting each classroom on a festive cart. Santa's elves will be helping students select their items and place an order. Orders will be filled off site and delivered to each student's homeroom in a shopping bag. The bags will sit in the classroom for 72 hours before being sent home.

Other things you need to know:

- The cart will be sanitized between classes. Students will be asked to use hand sanitizer before shopping.
- Santa's Sleigh will have a **limited inventory** this year. This is a way for us to keep our elves safe and minimize the amount of time they spend in stores while out shopping.
- **This year, we ask that student's only shop for their immediate family.** Please aim to purchase between 4-6 total. We understand that some families are larger and will definitely make sure everyone in your home has a gift under the tree! Pet gifts will also be available.
- In order to limit the amount of people coming in contact with your student's gifts, **gift wrapping will not be provided this year.** Breakable items will be wrapped in tissue and all items will be placed in a shopping bag for easy transport. **This year blank gift tags will be placed inside the shopping bag for you to fill out at home.**
- Items will continue to be priced from \$1.00 - \$5.00 this year.

Please use this form to indicate whom your child will be shopping for, and the relationship to the child, including pets. Please mark the age of the recipient so the elves can direct shoppers to appropriate gift choices. Also include cash or a blank check (made payable to STMMS PTO). Please mark the amount your child can spend in the 'notes' section of your check. Our elves will fill in the amount on your blank check and send a receipt home to you on shopping day. **Please be sure to include the maximum amount of money your child may spend.** Please use one order sheet per student.

Thank you so much for your flexibility this year! The PTO is committed to bringing Santa Shop to our students in the safest way possible. If you have any questions, please e-mail Gina Crawford at gcrawford1234@hotmail.com.

Thank you,

The Santa Shop Committee and the STMMS PTO

PLEASE RETURN SHOPPING MONEY AND THIS FORM TO SCHOOL ON YOUR CHILD'S SHOPPING DAY

Student Name _____ Grade _____

Name	Age	Relationship to Child	Gift selected at Santa Shop (to be filled in during shopping)
