

St. Margaret Mary School—Science Camp

Attention to incoming 7th and 8th graders! The 2017 Science Fair is in mid-November. Get a head start on your project with Miss Hudak and Mrs. Leidich this summer!

When: The week of July 17, 2017 (Monday-Friday)

Where: St. Margaret Mary School, Room 7-2

Times: 12:30-3:30 pm

Cost: \$125 per student

All students will need a composition book, pen, and a USB drive (optional if they have access to Google docs).

Participating students will leave camp with a researched project and a well-written experiment, including independent and dependent variables, controls, and procedure. They will also have a timetable to complete their project and display in plenty of time for this year's fair.

Registration and payment deadline is May 12th.

I am interested in science camp for my child _____.
