

Is Holiday Shopping

STRESSING

You out?

Need ideas for stocking stuffers or coworker appreciation gifts (e.g. Amazon, Starbucks, Kohl's)?

Or, you may just be trying to get everything you need to feed your loved ones this holiday season (e.g. Giant, Karns, Weis).

Don't forget the Scrip program. It's a great way to earn money towards tuition and help out the school while making your everyday and not so everyday purchases.

Don't forget yourself while you are taking care of everyone else! Shopping for your family takes time and energy. Order a restaurant gift card (e.g. Panera, Chili's, Texas Roadhouse) to keep you fueled on your errands or save you from cooking on a hectic night.

If you are shopping online or are already out running errands and need an instant gift card, don't forget that you can purchase eGift cards via the RaiseRight app which are available for use right away.

Not yet enrolled? Go to www.shopwithscrip.com or download the RaiseRight app to sign up. Select Join a Program, enter enrollment code L3717B8B1183, and create your account. Don't forget to enter your child's name. You can also learn more at <http://www.stmmparishschool.org/Scrip>.
