

Dear Parents,

Your child has worked very hard this year in Kindergarten! You should be very proud of their efforts.

In order to maintain the progress your child has made this year, it is important to continue practicing your child's education. This packet is filled with many different engaging and fun reading, writing, and mathematics activities. Over the summer, we strongly encourage you to set aside some time for your child to work on these skills to ensure continued progress.

Have a wonderful summer and happy learning!

Thank you,

Mrs. Lazzari and Mrs. Staskin
