Welcome New First Graders!!!

Mrs. Long and Mrs. Grill are looking forward to starting the 2017-2018 school year with you in our classrooms! To keep your minds active over the summer, we have put together a packet for you to complete. **It will be collected the first day of school next year and will count toward a religion project grade.**

We are looking forward to a wonderful new year. Please check the mail this summer for a post card from us letting you know your classroom placement for the year.

Enjoy your summer break!

God Bless,

If you need to contact either of us over the summer with any questions you may have, our emails are below.
