

BEFORE CARE PROGRAM

St. Margaret Mary School understands that many parents are required to leave home and get to work early in the morning. As a result, we have **Before School Care Program** from 6:30a.m. until 7:30 a.m.

Any student who enters the building before 7:30a.m. without prior arrangements with another teacher for tutoring, studying, making up tests, etc must report to the **Before Care Program**. The fees are as follows:

Daily - 1 child: 5.00

Daily - 2 children \$7.50

Daily - 3 children or more children \$10.00

These daily fees apply to all students grades K-8.

The **Before Care Program** will be held in Mrs. Pronio's classroom - upstairs - room 6-2.

If you have any questions, please contact Mrs. Pronio at mrs.pronio@stmmparish.org
