

**2021-2022 St. Margaret Mary School PTO  
Meeting Agenda – March 10, 2022, 7:00 pm**

I. Opening Prayer

II. Principal Update

- Mrs. Pronio wanted to thank the families who have taken the time out of their schedules to help volunteer at school. It has made such a difference.
- Field Trips: Our teachers are doing their best to find a trip to make the best use of the time frame they have, given the transportation timing constraints.
- Dress down will be Tuesday, March 15. If the students have gym on that day, they can dress out of uniform on Wednesday.
- We are having a dress out of uniform (blue and yellow) fundraiser on Monday for Ukraine. The money will go to the Catholic Relief Services.
- Summer camp information has been sent out for Literacy camps for grades the upcoming K-3 students. NHD camp information has also been sent to families. Science Fair camp information will be available this week. It is being held during the week of July 18 from 1-3. Many students in 7th & 8th grade will often do NHD and Science camp together. They pack a lunch and stay the whole day during that week.
- Mrs. Olsen's last day before her maternity leave will be April 1. We are still looking for a long term substitute for her position.

III. General Updates

- Field trips: Jenn Haste is coordinating buses for field trips. PTO is in a good financial position this year; will be covering tickets to take their field trips and busing for most of the cost for all trips, so families will not have to pay very much for field trips.
- Grandparents' day will be virtual. The committee is confirming the date, and age-appropriate projects for students to contribute. Parents will probably be asked to send pictures in for a slideshow.
- 2022-2023 Open positions: The Secretary position is open, along with other positions, such as outreach coordinator, teacher appreciation lunches, book fair, and fundraising coordinator.
