

Mrs. Fennessy's Summer Reading Challenge!

Summer is here, and it's time for fun.

Make sure that you swim, play ball, and run!

Of all the wonderful activities that summer brings for you,

Remember that reading can be fun, too!

Make some time to read each day,

And, when you return to school, prizes might be on the way.

Record the times you read on your Scholastic website or the attached sheet,

And you might win a prize that can't be beat.

Participants will get a ticket that may get you a reward

So be sure your reading minutes to record.

And when you return to school,

We'll have a reading assembly that will be very cool.

There will be a special prize drawing and you'll have a chance

To win a prize that will make you dance.

So pick a time: morning, noon, or night,

When reading for a while seems right.

Write down each time you read your assigned books, newspapers, or magazines.

The minutes will add up quicker than it seems.

The assembly and prizes won't be beat,

But the knowledge and adventure you'll get from reading will be the real treat!
