

The K~2 Korner

Dear Parents,

I hope you had a great weekend! I cannot believe that we are beginning our last week of kindergarten!! Where has the time gone? It has been such a pleasure to teach your children! Thank you for your continued support throughout the year and for all that you do for your children- they are so lucky to have you! We had such a great year- I hope the students had as much fun as I did!

I will be sending books and some other things home throughout the week- anything that I send home can be kept at home. We did not finish every single page in some of our workbooks due to time- that might provide some good practice over the summer!

Kindergarten Graduation is Tuesday May 30 at 9:00 AM in the gym. Graduation will last about a half hour and will be followed by cake and light refreshments in the cafeteria. Please note that students will be dismissed with their parents following the graduation ceremony. This is the last day of school for kindergarten. Any/ all family and friends are welcome to attend!

Here is a peek at our week in kindergarten...
