

Miss Lee's Musical Classroom

8/21/18

This is going to be a great year! I am very excited to share my love for, and teach one of the greatest treasures we have on earth- MUSIC!

It is hard to find a resource that can make one as *Happy* (Pharrell Williams) as music! I hope the kids are ready to have *Fun, Fun, Fun* (The Beach Boys) because I know I am! We'll be covering so many wonderful topics such as: music from around the world, music through the ages, music in the liturgy, musicals, rhythm, rhyme, great composers, etc...we'll all wish we had *Eight Days a Week* (The Beatles) for music class! So those *Wheels on the Bus* (Verna Hills) better start turning soon because I for one cannot wait to say *Hello* (Adele) to a new school year!

Best wishes,
Miss Lee
