

1-2 News- Week of January 8, 2018

Dear 1-2 Families,

Happy New Year! Thank you for the class gift card and the other treats for Christmas. I hope everyone had a wonderful Christmas.

We took another speed test today. I am sending it home to be completed and return to school tomorrow. The goal is for the students to complete four addition sets in one or two minutes. Some of the students are stuck, which can be easily fixed by practicing their facts. I need to give a big shout out to Emmanuel Naha. He has completed each set in two minutes. We will continue on until all facts have been completed by all students.

This month we will learn about Martin Luther King, Jr. and start a Science Unit on solids, liquids, and gases. We will also, discuss the Winter Olympics.

IMPORTANT: THE PRETZEL FACTORY IS EXPERIENCING MACHINE DIFFICULTY. THERE WILL BE NO PRETZELS TOMORROW. IF YOU PURCHASED A PRETZEL THIS WEEK, YOU WILL RECEIVE IT NEXT WEEK.

Have a great week!

Mrs. Butts

UPCOMING EVENTS

January 15-No School- Martin Luther King, Jr. Day
