Weekly News from First Grade-Week of April 15, 2019

Dear First Grade Families,

I would like to take this opportunity to wish everyone a restful and blessed Easter. Our Easter break starts on Thursday at noon. We are off Friday and return to school on Monday. Enjoy your time with your families.

Grandparents Day was a success. It was nice to meet all the wonderful Grandparents!

Next week we will be starting a report on Ocean animals. The students make pick an animal to write about. We will work on the reports at school as much as possible. There will be parts to complete at home. I think the students will enjoy doing the research!

Have a great week!

God Bless,

Mrs. Butts

**Parents, please remember to read with your children for at least 15 minutes daily. I would also like the children to do First in Math for 10 minutes daily. This will help in building reading fluency as well as math fluency. I know we are all busy, but it is so very important for first graders to have a strong background in fluency and math facts. You might want to consider keeping a set of sight words and easy readers in the car for trips to activities.**
