Weekly News from First Grade-Week of February 18, 2019

Dear First Grade Families,

I do not want to believe we are getting more snow tomorrow! I am ready for Spring! If you notice that homework is a little much tonight, it is because of a potential snow day tomorrow.

Have a great week!

God Bless,

Mrs. Butts

Parents, please remember to read with your children for at least 15 minutes daily. I would also like the children to do First in Math for 10 minutes daily. This will help in building reading fluency as well as math fluency. I know we are all busy, but it is so very important for first graders to have a strong background in fluency and math facts. You might want to consider keeping a set of sight words and easy readers in the car for trips to activities.
