## Mrs. Butts's Builders

**Weekly News from First Grade-Week of January 14, 2019**

Dear First Grade Families,

Thank you so much for your prayers last week. My Mom is feeling 100% better. Thanks for your understanding and patience, too!

On Friday, the students brought home the First in Math letter as well as their user name and password. I attached the password and user name (it is just a label) to the pocket of their folder. This program is done throughout the Diocese. I would like for the students to do it for 10 minutes nightly. The child with the most stickers is our Player of the Day. They will wear a badge for the day.

Just a reminder...We go outside most days. Please make sure your child is dressed for the weather. Coats, hats, mittens, and for the girls tights or leggings are highly suggested.

We have started subtraction. This concept is sometimes harder for students to grasp. Please make sure to practice flash cards nightly. We will have our first subtraction speed test on Friday.

Have a great week!

God Bless,

Mrs. Butts
