Name: _____

Trimester 3

Due Date: March 29, 2019

Goal: The goal for this month is to complete a minimum of 60 minutes per week on First in Math or any of the other websites listed below. We will start on March 7 and end on March 29. Since this is only for 3 weeks, the grading system has been

Please see the list of websites on the back that you can visit to complete your minutes. Focus on any fraction games. Here are some websites that you can use to find engaging math activities. If you are into coding, you can have one half of your minutes be on a coding program. Kahn Academy has a lot of videos to show you how. Try it.
