

¡BIENVENIDOS A LA CLASE DE ESPAÑOL!

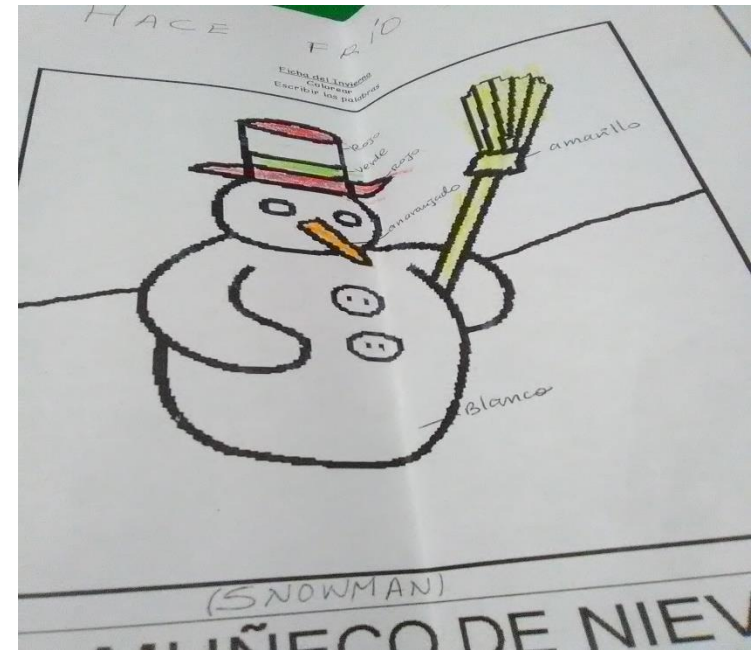

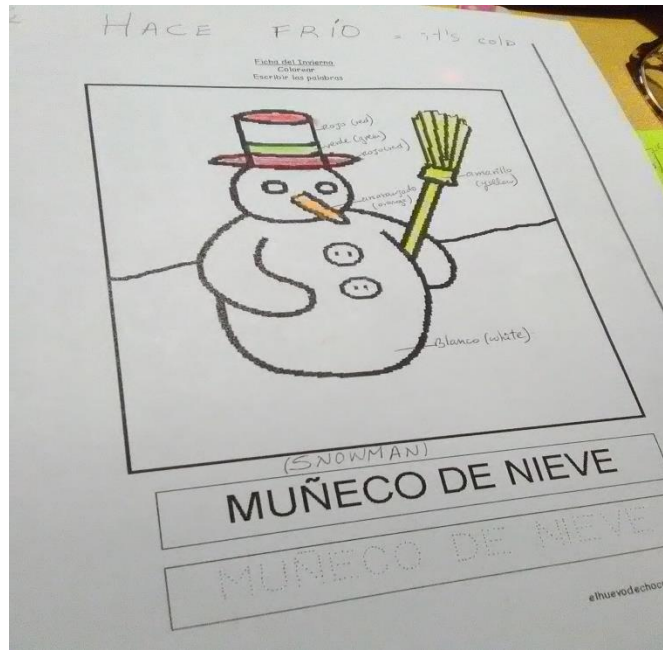

About me: ¡Hola! This is Señora Gómez. I am originally from Perú, South America. I earned my B.S. in Spanish Education from Millersville University in 2012. I worked as a Middle School Spanish teacher at Sacred Heart School in Lancaster, PA and I worked as a substitute teacher in many schools in the Harrisburg Area. I feel very blessed to be part of St. Margaret Mary School as a Spanish teacher since February 2017. I have always loved working with children and know what an amazing journey is to be part of shaping their world. My objective is to inspire children with love for learning and to make children realize that every day is a blessing from our Lord.

Pre-k to 4th grades: During our classes, students will be taken on an imaginary journey into the amazing world of Spanish culture and be introduced to the basics of the Spanish language. We will use stories, games, songs, and various activities that will provide Comprehensible Input of the Spanish language to help student acquire and retain the language. The majority of stories and activities used in classes have been created and/or adapted by me to address students' needs. We will explore and appreciate the literature, music, traditions and history of Spanish speaking countries.
