

*Mrs. Roberta Hamilton
Instructional Support
St. Margaret Mary School
Grades 5 – 8 Religion, ILA, Social Studies,
Science and 5th & 6th Grade Math*

Our theme this year is:

T E A M – Together Everyone Achieves More

As an Instructional Support teacher for the upper grades I work closely with students' teachers to support each individual student's needs according to his/her IEP/Learning Plan to successfully enhance his/her academic skills. Listed below are a few of the accommodations that are use to support the particular needs of students. Remember not all of these are used for every student. Only what is indicated on his/her IEP/Learning Plan:

- *Extra time on tests (1.5 times the standard time for test)*
- *Review all tests orally with Instructional Support teacher*
- *Instructional Support Teacher may scribe the short answer and essay questions on tests*
- *Graphic Organizers to be used to prepare short answer and essay questions*
- *Organization of class materials by color coding notebooks, folders, etc.*
- *Review study guides*
- *Assistance with organization and use of assignment book*
- *Assistance with science project, National History Day especially during study hall and use of computer lab.*
- *Opportunity to take tests one-on-one with support or classroom teacher.*

Any questions you may have during the school year please contact your child's teacher or me at mrs.hamilton@stmmparish.org.

God bless you and your family.
