

MRS. HAMILTON'S EDUCATION POST

Theme for 2016/17: We Walk By Faith

5th and 6th Grade Math

5th Grade Science

Updated June 6, 2017

Dear Parents,

Boy, it's been a long year however the last day of school is just a few hours away. I want to take this moment to thank every one of you for all your patience, cooperation, and support this school year. Teaching approximately 90 students is not an easy task for anyone, however all the students worked hard, tried to be on their best behavior which isn't always that easy for some. I've been touched by their caring, sharing, and compassion they've shown to so many students this year, which only comes from you their parents. Thank you for all your thoughtful gifts at Christmas and others off and on throughout the year. You and your family mean so much to me. Thank you for choosing a Catholic education for your child. Have a safe and wonderful summer! God keep you under his care.

God bless all of you,

Mrs. Roberta Hamilton
