Mrs. Kuntz 4~2

Here's a look at what's happening in our classroom!

We will be having ITBS testing this week, from 8:30 - 10:00 each morning. Please do your best to have your child get a good night's sleep, and eat a healthy breakfast each day!

**LANGUAGE ARTS:**

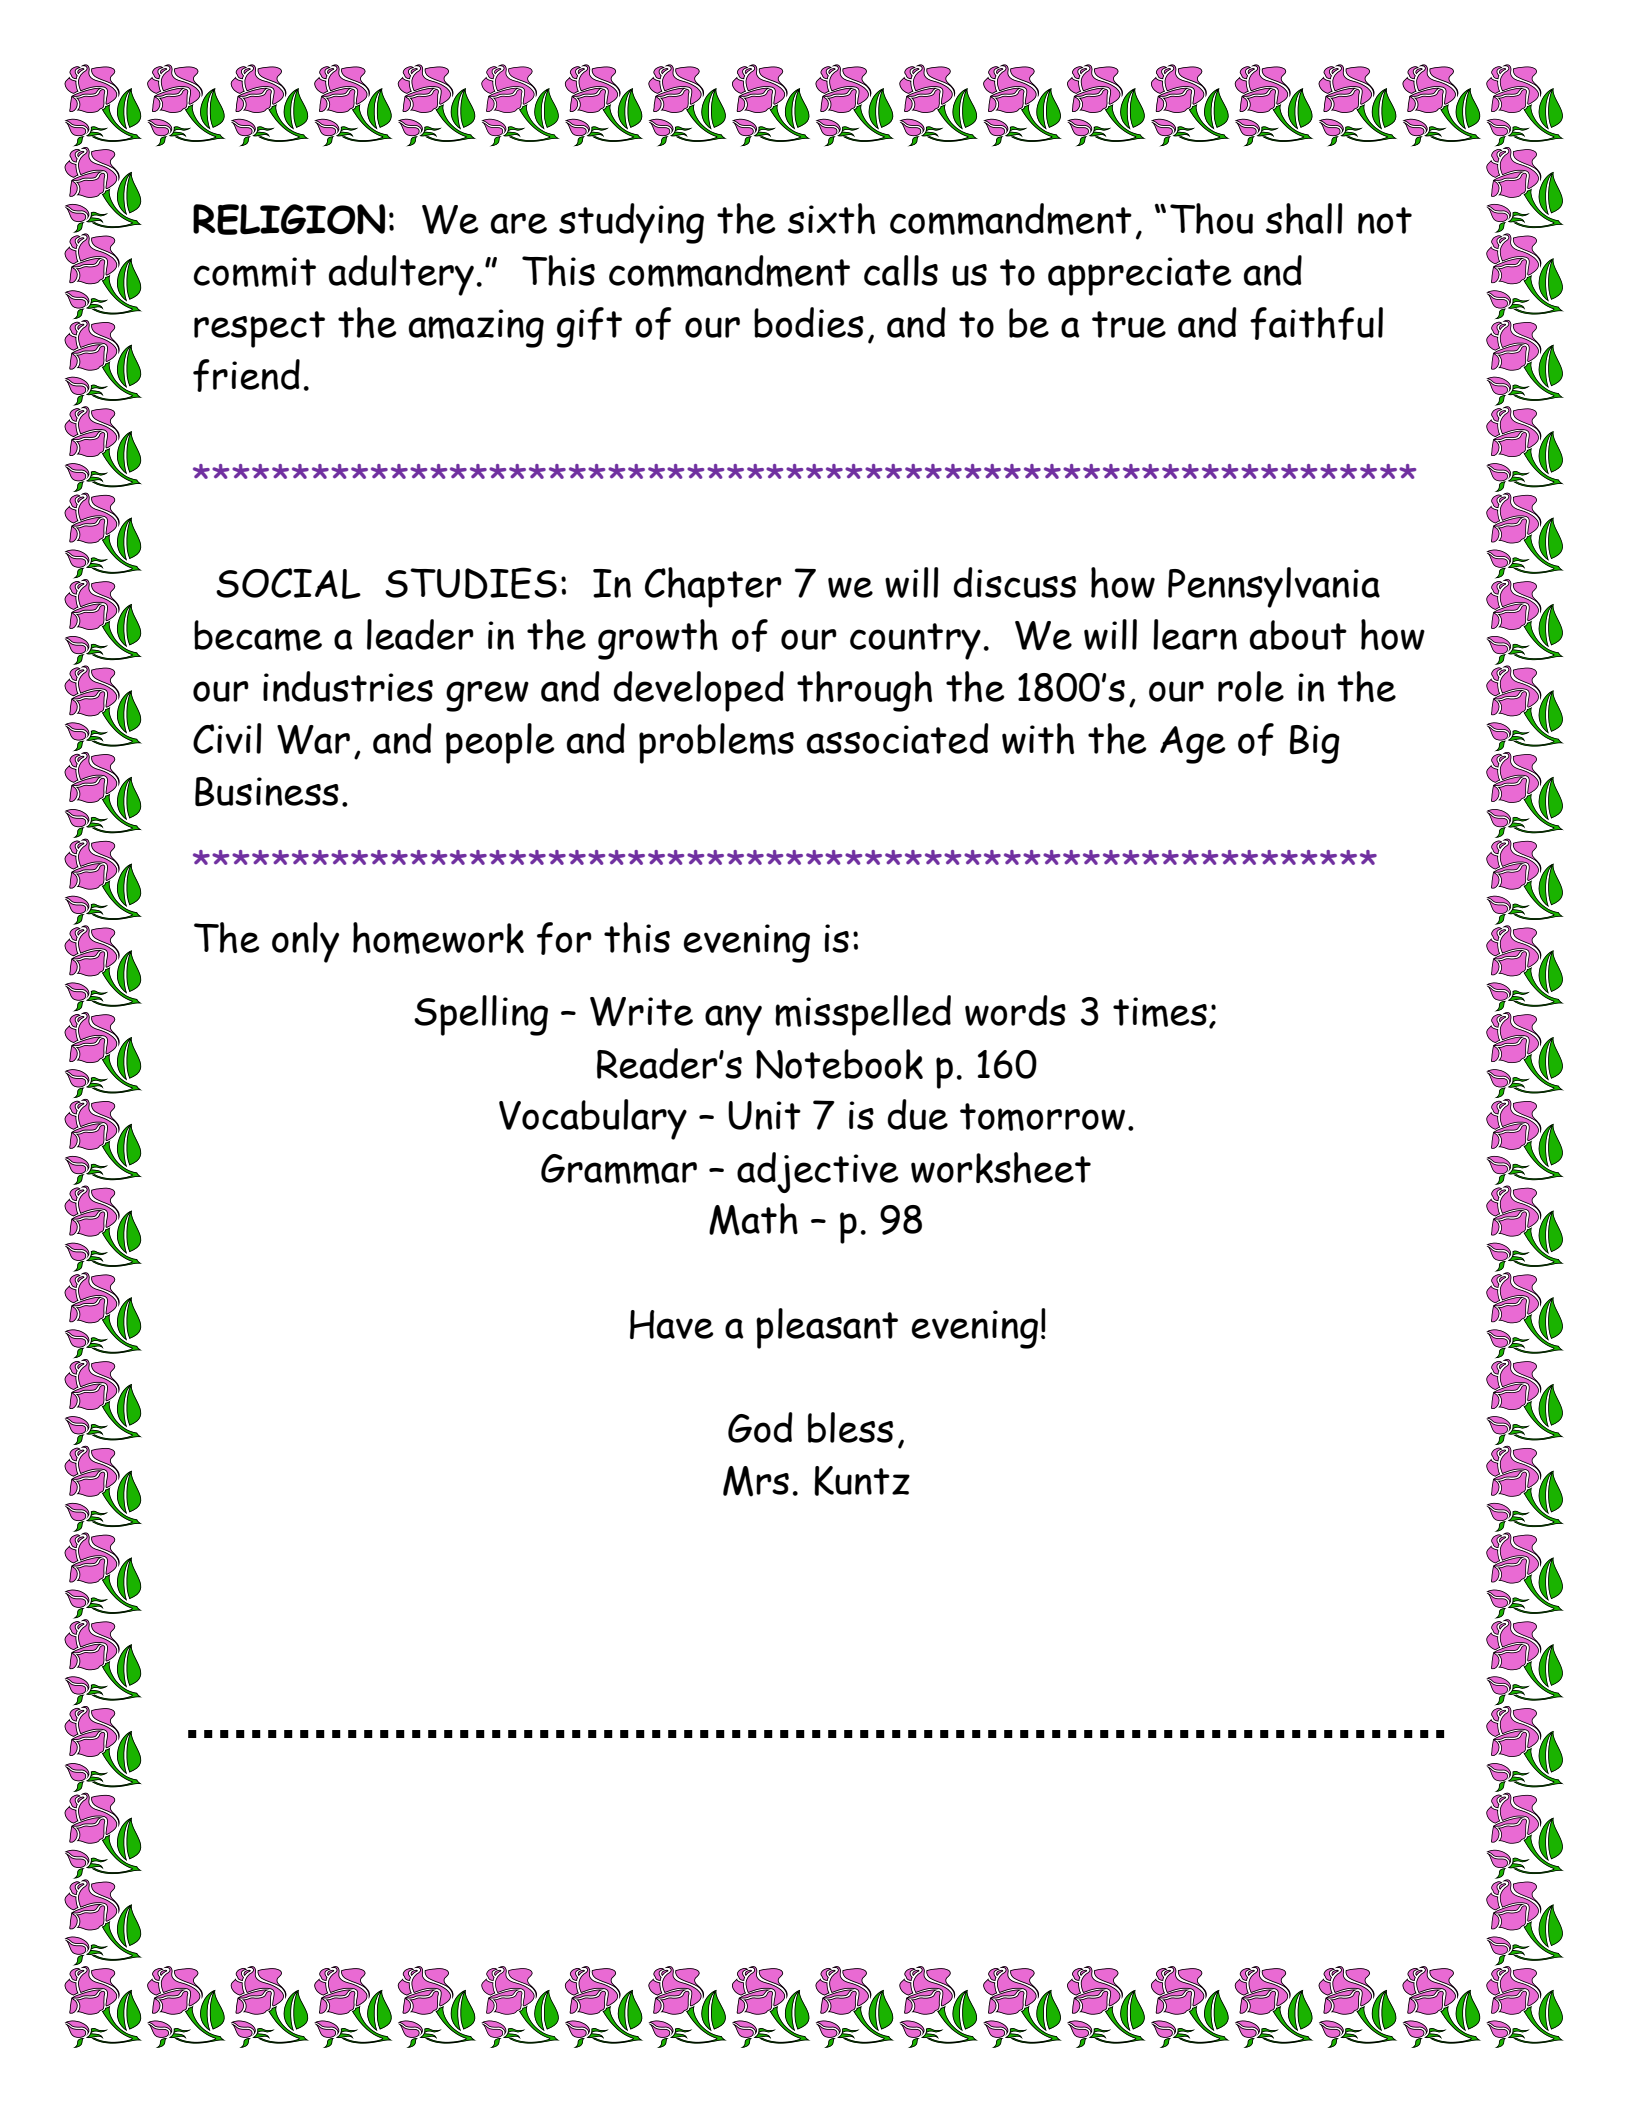

**Reading** - We will be reading a story from our *Journeys* textbook this week.

**Grammar** - As we study adjectives, we are finding out that they are more than just descriptive words that make our writing and speaking more interesting. Adjectives can also be proper, demonstrative, and possessive; they can compare and tell how many, and sometimes appear between an article and a noun.

**Vocabulary** - We will be working on Workshop Unit 8 this week. It is to be completed by next Tuesday.

**Spelling** - We have returned to *Journeys* for Lesson 13 spelling words this week.

**MATH:** The Fun with Fractions has only just begun, as we move on to Chapter 8, "Fraction Concepts."

**RELIGION:** We are studying the sixth commandment, "Thou shall not commit adultery." This commandment calls us to appreciate and respect the amazing gift of our bodies, and to be a true and faithful friend.

**SOCIAL STUDIES:** In Chapter 7 we will discuss how Pennsylvania became a leader in the growth of our country. We will learn about how our industries grew and developed through the 1800's, our role in the Civil War, and people and problems associated with the Age of Big Business.
