

Mrs. Kuntz 4~2

March 1, 2019

Here is a look at what we're up to in 4 ~ 2:

RELIGION

We are continuing to discuss the 10 Commandments, God's Laws of Love. In the coming weeks we will take a closer look at the last seven commandments, which help us love others better.

LANGUAGE ARTS

Reading: This week we read about one of the most spectacular wildernesses left on the planet in the narrative nonfiction selection, *Antarctic Journal: Four Months at the Bottom of the World*. Then, in the next two weeks we will have fun with the fiction story, *Mr. Popper's Penguins*.

Grammar: We will soon be wrapping up our study of *adjectives* before moving on to *verbs*.

MATH

We completed our unit on *Geometry* and have been working on *Multiplication*.

SOCIAL STUDIES

We wrapped up our study of the geographical features of Pennsylvania. As a culminating activity, students will design a brochure for one of our many beautiful state parks. We have begun learning about the first Pennsylvanians - Native Americans who lived here long before European settlers arrived .

State Park Brochures are due by Monday, March 11th.

This coming Wednesday, March 6, is Ash Wednesday, the beginning of Lent. Mass will be celebrated in the gym at 10:15. Please join us if you are able.

God bless,
Mrs. Kuntz
