October sure was a fun, exciting month! We had a fantastic time on our field trip to Fort Hunter Mansion and Park. We were blessed with such a glorious fall day! We learned so much about what it was like to live here in Harrisburg in the 17 and 1800's, and how the Native Americans survived by living off the land. Our hostesses were very kind and gracious, and we will be sure to return again next year!

Today we celebrated a beautiful Mass with our Veterans, and honored them with a special service and breakfast. Remember to keep all service men and women, and all veterans, who have given so much for this great nation, in your prayers.

Here is a look at what's happening in our 4~2 classroom:

### LANGUAGE ARTS

**Reading:** Next week the students will explore the question, "What are some different ways to do research?" In this realistic fiction selection, "Dear Mr. Winston," students will read a letter of apology that conveys more than the simple message "I'm sorry for bringing my snake into the library!"

**Grammar:** In our last reading selection, we learned about verbs in the past, present, and future progressive tense. After finishing up our unit on nouns in *Exercises in English*, we will move on to the study of pronouns.

## MATH

We are continuing to practice our addition and subtraction concepts, working with larger numbers. When we move on to chapter 4, we will be working with multiplication.

## RELIGION

Recently we learned about the beautiful gifts of mercy and grace we receive from God in the Sacrament of Reconciliation. We are now discussing *Worship* as our natural response to God's greatness and holiness. We will learn how worship should be a way of life. Treating others with love and kindness as Jesus did allows us to worship God every minute of every day of our lives!

## SOCIAL STUDIES

I hope you had a chance to see our amazing landform lids in the front hallway! We have begun studying the five geographical regions in Pennsylvania and the unique characteristics of each.

May God continue to bless you and your lovely families!

Sincerely,
