

Library News

Dear Parents and Guardians,

Welcome to a new school year! I am excited to return to my library position and see the children.

Reading is the most important aspect of library class, although activities related to Cloze Reading (comprehension activities) and Library skills are just as important. There will be times when the children must participate in these. Any work given to the class takes only part of the class period. There is always time to read!!!

Library rules are necessary in order for the library to run smoothly. Children are asked to speak in soft voices and follow all checkout procedures.

Please see that your child keeps his/her book in a safe place, away from small children or family pets. Return the book in good condition and on time. Late fees are added per day. Each day a book is not returned a 25 cent fee per day.

I always appreciate your support each year, especially at Book Fair time. Your help is greatly appreciated!

If there is any need to contact me during the year, it is best to use my email : mrs.hillman@stmmparish.org

Sincerely,

Mary Hillman – School Librarian
