Unit Review: VERBS TEST Tues 11/20

******See note on next page******

*****Dear Parents: I have enjoyed teaching your children, having known most of them since kindergarten. Words cannot express how much I will miss them as I begin a new chapter. Each and every one of them has a special gift and a light in them that I know will only grow more radiant as the years pass. Thank you for sharing them with me, and thank you for the generous cards and gifts.**

Love,

Mrs. Mathias
