

WELCOME TO SRA. ANA'S SPANISH CLASSES.

Students have Spanish Mondays and Wednesdays. 5th and 6th graders are introduced to basic vocabulary through songs and a variety of activities. 7th graders are starting to work with the verbs, adjectives, definite & indefinite articles as well as writing short sentences. The 8th graders work with the book ¡Buen Viaje! and worksheets. Skits are very important in Spanish class to get the students comfortable with speaking the language.

In September and October, students will be celebrating the Spanish Heritage month by introducing famous Spanish figures in class. One of these famous people is Pope Francis.

Él se llama Jorge Mario Bergoglio. ÉL es de Buenos Aires, Argentina. Tiene setenta y siete años. Le gusta rezar y la iglesia. Él es inteligente, religioso, simpático, bondadoso y santo.
