

BIENVENIDOS A LA PAGINA DE TAREAS DE LA CLASE DE ESPAÑOL

Very Excited to begin another great year at STMM.

Students need to come to class with a notebook, pencils or pens, a folder and 6th, 7th & 8th graders need to have their grammar book at all times. Most of their homework will be to complete an activity on this book. Homework is a **MUST!!** If homework is not with the student in class the day it is assigned, a lunch detention will be given. No excuses. Trying to make students responsible for their work. I would appreciate your support & cooperation with this matter.
