

Happy New Year to Everyone!

We have started the year off with a lot of frigid and snowy weather. Remember to bundle up for the temperatures. We still go out for recess even in the cold.

4th Grade Science

We are starting Chapter 2, lesson 1: Animals Without Backbones. We will be comparing characteristics of invertebrates to vertebrates. The test for this unit will

tentatively be January 19th. After this we will be moving onto studying vertebrates.

Upcoming Events:
