Dear Parents,

The Spartan beach towel was just **LOVELY!** It was very special to have all of the children's names on it. It will be proudly used when I go swimming at the fitness center.

THANK YOU, too, so very much for all of the other gifts you have given me! I received such a **GENEROUS** and **THOUGHTFUL** gift card from the class to be used for Walmart or Sam's Club. I go there to sample all of the goodies!

The card was especially **TOUCHING!** **THANK YOU** for thinking of me and for being generous all year long. I am most grateful to each and every one of you and your children!

Lastly, I hope and pray that you have a relaxing and safe summer. I will keep you in my prayers as I did this past year. **Take care and God bless!**

Gratefully,

Ms. Barna
